

Kingston Day's Celebration 2023
Crafter's + Farmer's Market Application

Hello Crafters + Farmer's Market + Other participants!

My name is Charlotte Boutin and I am planning the Kingston Days Craft Fair for 2023. The craft and farmers market will be held **Friday 9/8-Sunday 9/9** (please see more information below). It is time to plan ahead and prepare for a successful show!

The craft area will be held in section C (flea market) of the Kingston Plains this year. Please ask if you have questions about this location. Spaces will be assigned and will clearly be marked out and numbered. The spaces are 12X12 and no electricity will be provided. You must provide your own: table, chairs, tents, umbrella, display shelves etc. Keep in mind the fair is held rain or shine!

We would gladly appreciate a donated item for our raffle. All donated items will be promoted on our Facebook page! Please drop off your donated item one week before the event at Kingston Town Hall. You can drop them off at the lower level to the big window on the right!

Please contact Charlotte Boutin for any questions. fcharlf@comcast.net ; 603-624-6814 or email kingstondays@kingstonnh.org for general questions about the event.
