

- Legend
- Aquifer Transmissivity - > 4,000 SF/Day
 - Aquifer Transmissivity - 2,000 - 4,000 SF/Day
 - Aquifer Transmissivity - < 2,000 SF/Day
 - Boundary of Aquifer Protection Zone A
 - Tax Map Boundary
 - Tax Map Number
 - Tax Parcel Line

Data Source: Aquifer Transmissivity boundaries, tax parcel lines, and town line boundaries were obtained from GRANITView. The coordinate system is NH State Plane, NAD 83, US Survey Feet.

Tax parcel lines changed since 2018 to January 2022 were added by Powell Asset Mapping, LLC based on subdivision plans approved and provided by the Kingston Planning Board.

The Aquifer Protection Zones were determined by Truslow Resource Consulting LLC in conjunction with the Kingston, NH Planning Board.
